

# Manhandled by Mallory

Manhandled by Mallory - It seems Johnny Utah has been showing abusive behavior towards Mistress Mallory's younger sister. Mallory is irate and lures Johnny to her dungeon to teach him a lesson. She tries to choke the life out of Johnny using her hands, her thighs, sleeper holds, belts, whips, coat hangers, and scarves. Mallory puts him in a cage with his head sticking out the top of the cage and slaps his face, chokes him some more, and smothers him repeatedly. Johnny is then saran wrapped and placed on the table for a round of hard paddling. Mallory forbids him to ever see her sister again.
