Redhead Next Door Suffers For Her Orgasms Victim: Phoenix Askanti Approx. 102 mins 2012 Kink.com

Amy Brooke gets used by Sgt. Major. Who doesn't fancy a hot sex slave on her toes, blindfolded, grinding her pussy on cold metal chain. Her nipples sway with the clamps weighted down tugging with every move. Well until you grab that wet cunt to the ground and make her squirt until she cums.
Next, she is laid over the wooden arch, strapped down tight. Her ass is warmed up with some powerful spanking to ready her for her daily fucking. What more do to do with your slave when she is bound and gagged? Stuff her remaining holes with cocks and fuck her good until she gushes everywhere.
She is bent over, ready to be molested and probed. Her ass sticks out as the prime target it is for a sharp whipping and caning. With a plug in her ass and her juicy pussy waiting to be violated, it's only a matter of time before she can't take anymore and explodes with orgasm and squirt.
