Tricia Oaks Loves Asphyxiation Victim: Tricia Oaks Approx. 100 mins 2013 Kink.com

€ 18,95

Tricia looks stunning in yellow latex all chained up with her breast squashed by metal bars. We torment her nipples and subject her to the single-tail before giving her the Hitchi. She is strung upside-down in chains and repeatedly dunked into a tank of water. This kinky cunt loves breath-play and we top it off with a huge butthook and the electric zapper. Posed spread-eagle she gets the pussy pounding a horny kinky slut deserves.
