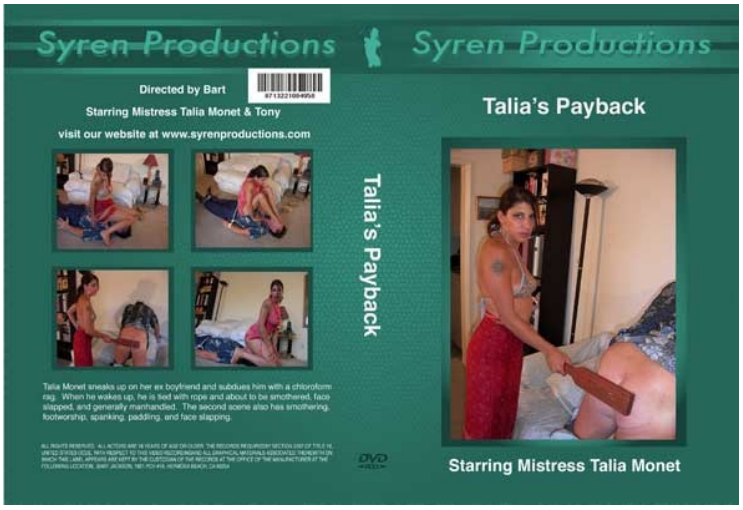
Talia's Payback



Talia's Payback - Talia Monet uses a chloraform rag to subdue Tony and then binds his hands in rope. It seems Tony has been running his mouth about Talia to her friends and she is out for some payback. She smothers him and slaps his face until he is willing to call her friends and say that he was lying. Not happy, she continues the abuse even after he has made ammends. Talia is wearing a summer dress in this scene. In the second scene Tony owes her money and is abused for this with more smothering and slapping, and some hard paddling and strapping.
