Everybody Loves Anal Starring: Maitresse Madeline Marlowe & Mike Panic Approx. 104 mins 2016 Kink.com

€ 18,95

Maitresse Madeline invites Mike Panic to her office to have a frank discussion about anal sex. Mike lucks out because Madeline is on a spin that day and demands her ass be cleaned by his tongue before allowing him to fuck her with a glass toy. Madeline uses her strap-on and finger to milk his prostate until he erupts with cock juice, before she licks it all up and then snowballs every drop back into her slaves mouth.
