DEB-072

Monumental Suffering Starring: Sarah Jane Ceylon & Orlando
Approx. 103 mins 2014 Kink.com

€ 18,95

Start at the beginning, work your way to present day, and you will find Sarah Jane all over the pages of Device Bondage. She is one of the toughest models, and has proven it over the years. This day will prove to be her biggest obstacle thus far. Orlando attacks every part of her fragile body with the intent to wreak havoc on this willing slut. The pain is the most brutal that she has ever endured, and the suffering is monumental. He pulls no punches in making this slut suffer and scream her way through the most hardcore shoot to date.
