DEB-101

Cold As Steel Starring: Orlando & Kristina Rose Approx. 70 mins 2016 Kink.com

€ 18,95

We use a lot of different types of restraints on this site; wood, leather, latex, plastic, and steel. Today it was decided that Kristina would be restrained with steel and made to suffer. She is locked tightly and left helpless in every position. She is tormented in cruel ways. She is fucked and made to cum to satisfy the itch of being the slut that she is.
