Welcome Amazon Dylan Ryan to Divine Bitches! Cole Brooks learns his place beneath the foot of an Amazon when Goddess Aiden Starr invites Dylan to Divine Bitches. Cole yearns to be controlled and manipulated by the Bitches and is made to worship the perfect form of woman, an AMAZON! Aiden demands Cole to worship The Amazon's large beautiful feet, perfect ass and strong long legs. He's single tailed to submission then trampled by the feet of The Amazon. The Bitches peg his ass with a strap-on and torture his balls then use his 21 year old cock for their pleasure. After they get theirs and leave him covered in their nectar they allow him to release his filthy seed but little does Cole know he will have to endure one very cold cruel consequence.
