

Isis Love's Sadistic Romance Starring: Isis Love & Michael Bridalveil Approx. 72 mins 2012 Kink.com

€ 18,95

Isis Love takes a fancy to Michael Bridalveil and uses him for her sadistic pleasures. She repeatedly brings him to the brink of orgasm with teasing, pussy licking, foot worship, and ass licking, only to hold him back with caning, CBT, flogging, and whipping. After she pounds him hard in the ass with her strap-on, Isis rides his cock for her pleasure, before shoving his dirty slave boy cum into his own mouth. A beautiful balance between pleasure and pain; Isis Love in her most sensual movie to date.
