Slave Jason Miller is one step closer to serving Maitresse Madeline but not one step closer to freedom. His useless piece of meat is still locked away in chastity. He's flogged, spanked and weights hang from his gigantic, boiling over balls. His ass is fucked deep by an enormous strap on cock then his breath taken away by Goddess Aiden Starr's perfect ass mounted right on his face. Maybe she feel sorry for him, who knows, but she actually takes this bitchboy out of chastity to fuck him with the high powered fucksall rubber pussy. Precum oozes from the tip of his dick. But, Goddess Aiden never lets him cum. Instead she soaks his dick and balls in a bucket of ice water. Jason pleads for his freedom while Goddess Aiden laughs hysterically and stuffs his aching prick back in the cage then throws away the key forever!
