Aiden Starr is insanely wicked and humiliating in this brutal feminization update. Marcelo is coaxed into deep humiliation being made to dress as a woman with promises of Goddess Aiden's pussy. Aiden puts Marcelo through the ringer and spits him out with hard caning, harsh single tail and so many clamps and clothes pins on his body and cock we lost count. He's dressed as a woman and fucked hard and deep in his man pussy. He finally makes it to Goddess Aiden's bed and she fucks his face with a dildo gag denying him any of her pussy, making him jerk off. The second his hard cock explodes she ruins his orgasm with the hardest cattle prod shock right on his cock for the shock of his life!
