

Welcome Mz Berlin to Divine Bitches! Starring: Mz Berlin & Chad Rock Approx. 71 mins 2014 Kink.com

Funny, Mz Berlin never actually shot for Men In Pain back in the day yet she remains a legend to our members. I have heard from so many of you wishing to see her on Divine Bitches that I even feel like this is her triumphant return yet this is her amazing debut! And, boy, what a debut it is! I couldn't put Berlin with just anybody, I had to pair her with one of our top pain sluts and Chad Rock was up for the challenge. This movie is evil, raw, painful, sadistic femdom executed by a master dominatrix the one, the only, Mz Berlin! Get on your knees, slaves and worship!
