

Lair Of The Semen Demon Starring: Aiden Starr & Zane Anders Approx. 93 mins 2016 Kink.com

€ 18,95

Zane Anders summons the seductive Aiden Starr, believing she will be his to play with. But she turns the tables on him and makes him her plaything. She teases and torments him while denying him his desires. She milks his prostate, shocks him with electricity and takes him to the edge of his tolerance with deep pegging. With only two fingers she makes him cum, then leaves him tied to the floor, covered in his own filth.
