The Domina Files volume 9 Mistress Miranda London - England Running Time: 1 hr 22 mins

€ 9,95

The London-based BDSM studio of Mistress Miranda is unquestionably one of the best, most discreet professional fantasy venues in England. This is why our Domina Files film crew went there to document Miranda in her kinky chambers whilst she put her favorite pervy pet, Boot Slave, through a series of highly stimulating suspension, restriction & fetish treatments! From the immaculate white tile & stainless steel clinic, to her black & blue suspension chamber, to her ultra-equipped upstairs dungeon this fashionably fetishistic dominatrix puts her submissive slave through delights & torments you really must see to believe! Includes multiple action scenes, interview segments & dungeon tour footage.
