

The Domina Files volume 29 Art of Pain Gelsenkirchen - Germany Running Time: 1 hr 40 mins

€ 9,95

Tucked away in a dead end alley in the industrial town of Gelsenkirchen in the northern part of Germany's Ruhrgebiet is the domain of Baroness Mercedes, who has given the words Art of Pain a new meaning. In the lavishly equipped dungeon she takes her submissive guests to new limits. See two stunning ladies dominate a willing slave with bonds and torments on the rack. In the rubber room Baroness Mercedes puts her slave through a series of latex treatments. The Baroness and Domina Patrizia demonstrate why German submissives crave White Rooms so much and then there is the ultimate in discipline given in the main dungeon. Complete with interview segments, an extensive tour of the dungeon and city make this DVD a must have edition!
