

Sadistic Barbie Breaks Ken Doll Starring: Daniel Lament & Mona Wales Approx. 87 mins 2016 Kink.com

€ 18,95

When Mona unwraps her new doll, she discovers he's no different than all her others; fucking stupid, boring, and useless. Watch him buck and canter as she crops his cock and punches her frustration out on his mindless body. Bored, she decides to fuck his asshole and saddle up on his face. A long day of riding makes her pussy so wet, she just may use her doll's parts to get herself off, if he's lucky...
