

Flog That Puny Ass Starring: Jay Wimp & Kelli Provocateur  
Approx. 95 mins 2016 Kink.com

€ 18,95

Jay Wimp is a constant disappointment to his extraordinarily strong dominatrix Kelli Provocateur. She uses her muscular legs to punish him with a brutal ball busting session, she uses her bulging biceps to flog his puny ass, and she puts his useless mouth to work on her big fat clit! Jay also endures feminization, trampling, smothering, face sitting, chastity, bondage, strap-on fucking and endless humiliation!
