Brainwashed by the Stick

Down in the Dungeon 09 Brainwashed by the Stick down09
Approx. 80 mins

€ 9,95

Lady Bellatrix and Lady Nina return to the dungeon to check on their prisoner who has been kept on lockdown and on strict food rations for the previous three days. He whimpers at their return and they soon have him grovelling at their boots and begging for food which they delight in feeding him after stamping it into the floor with their beautiful, cruel boots. They then make him confess his love of the Female Empire as they cane him hard, taking satisfaction from his cries.
