DIB-144

Daffodils Starring: Mimosa, April Flores & Sebastian Keys
Approx. 68 mins 2017 Kink.com

€ 18,95

Welcome back AVN BBW of the year April Flores and the debut of Mimosa to Divine Bitches! This homage to Vera Chytilova's 1966 banned film, Daises, where two mischievous women believing the world to be spoiled, embark on a series of pranks in which nothing - food, clothes, men, war - is taken seriously. It is femdom cinema at its finest and our film is no different!
