Husband Shaming Starring: Cherry Torn & Ruckus Approx. 67 mins 2017 Kink.com

€ 18,95

Cherry is fed up with her husband jerking his dick to porn when he isn't keeping her pussy satisfied. After another boring night in bed alone she catches him red handed, obsessing over tight little buttholes getting blown wide open by fat cocks. Suddenly it all becomes clear, and Cherry decides to purge Ruckus' shame and guilt surrounding the male asshole by fucking the toxic masculinity right out of him.
