

Claire Adams vs Sarah Blake Victim: Sarah Blake Approx. 69 mins 2014 Kink.com

€ 18,95

Crimson haired Sarah returns to Device after 6 years to be tested, pushed, and exhausted in orgasms. Unique and sultry, she has this way of looking at you, making you feel like you are the only person in the room. Her dress gets tied above her head, her ass gets presented in the air, she gets installed in a pipe throne... that is how she deserves to be treated. In every scene you can feel the meek desperation in her body and the ache for a good challenge. She shivers when pain invades her, her large breasts jut out when she is in pleasure, her soft cries beg for no mercy.
