

The Return of Darling Victim: Darling Approx. 66 mins 2014  
Kink.com

€ 18,95

Darling returns to Device Bondage and she's never looked better, or suffered more beautifully. Claire ensures that this time will be more intense than the last with heavy latex, two extreme suspensions, and a final position that stretches her to her breaking point. The corporal punishment is sadistic and severe, and the orgasms are just as extreme.
