Like girls who love pain? Let me introduce you to Amanda. Girls who can either take a lot of pain or extreme bondage are earning a title in a new category - rough rider. Our little cunt likes large things stuffed in her mouth an severe gags, so in scene one, she gets my favorite latex beanie hood, with a black gag and latex tape over the gag. With only her nose to breathe from, she gets antagonized with breath control. Quickly she understands that Claire is not a very nice lady...
