Pain Slut is Ruined by Extreme Torment Starring: Katharine Cane Approx. 76 mins 2015 Kink.com

€ 18,95

Katharine is a serious masochist that shows up with her own agenda. She wants to be totally fucking destroyed, and with Orlando and The Pope on deck, this little whore's request will get filled. She is subjected to diabolical devices, including the Vampire Trap, which keeps her very still with wooden stakes in precise points of her body. Everything is strict, from the devices, all the way to the torment, and even the orgasms.
