Sheena is a new model, and upon looking for work, she stumbles across a fetish site that is need of fresh meat. She applies, and instantly gets a call back. One of their directors had a cancellation, and needs a model to fill in for the day. She jumps at the opportunity to work, and rushes out the door to the studio. She finds herself becoming nervous, but pushes on because she wants to have this experience. She agrees to go ahead with the shoot, and her day officially begins. She signed up for the experience, but what happens next may not be quite what she was expecting.
