We start with Ana struggling to escape leather straps. She fights against the straps and uses everything she can think of, but in the end she will suffer for it. Her exquisite body is on display, and her pussy is fully exposed. She is violently flogged and shocked before she is allowed to orgasm. Next she finds herself stretched over a rack and the torment continues, this time with a zipper. Finally Ana is trapped under a steel basket that holds her body tight to the floor, where more electricity is used to make her scream.
