

Three French Whores Dominate and Buttfuck Tommy The Trick! Starring: Hollie Stevens, Dana DeArmond, Tommy Defendi @ Seda Approx. 112 mins 2012 Kink.com

Tommy visits his three favorite whores at the local brothel but this time the prostitutes have something else in mind for Tommy the trick. These blazing hot hoers are going to turn the tables on Tommy and make him their little bitch for the day. Tommy is flogged, caned, smothered and made to worship ass. CBT is administered in the form of hot wax and ice cubes. The ladies perform a train on his ass and make him worship their feet and suck their cocks like a good little whore. The end of his visit is much like any other day but instead of him using their pussies for his pleasure the ladies tie him down, climb on top of him and use every inch of his body for their own pleasure. They extract his sperm from his cock and continue to painfully milk it after. I think it's safe to say Tommy knows who the true whore is now!
