The Divine Bitches are searching for new meat to put through the training process. Brian Bonds is up for the challenge without realizing that deviously sexy ideas Mistress Felony and Mistress Francesca Le have in mind. Brian's balls are tied to weights, tugged and tortured. His nipples are clamped and he's beat from both sides by both mistresses simultaneously. Mistress Francesca demands ass worship while Mistress Felony demands his tongue be used as a pussy cleaner. But, what happens next Brian would never have expected in his wildest dreams! The mistresses stuff his cock up with a urethral plug and strap-on fuck his ass and prostate milk his dick to complete frustration. Cum oozes from the tip of his cock when the plug is removed and he's used as a human dildo to get both mistresses off. He's made to cum, eat it and then painfully stroked off post orgasm!
