

Small Penis Humiliation Cuckold Starring: Mistress Lea Lexis & Cameron Kincade Approx. 67 mins 2013 Kink.com

€ 18,95

Mistress Lea Lexis arrives on set and mid pre interview requests to see Cameron Kincade's cock before we even start shooting. Apparently she won't shoot with a man that has anything less than 7 inches. Unfortunately she doesn't tell me this until we are already half way through the interview. To say the least, Mistress Lea was extremely disappointed. I can't blame her, Cameron has such a small pathetic little worm that it is probably the smallest we have ever witnessed on Divine Bitches. A shoot that was supposed to be a dungeon scene quickly turns into me scrambling around on break trying to find a bull so I can save the shoot, satisfy Lea and turn it into a cuckolding!
