We pair Tanya up with Casey More a total douche bag we picked up at a club night in the city. Casey is the type of guy who hits on every girl in the club and thinks he's gods gift to women. The Divine Bitches feel differently about men like this and find that they are better off once bent over the knee of a powerful woman! Tanya tortures his cock, teases and taunts him with her beautiful pussy which he'll never have, objectifies him and ass fucks him with a fucking machine deep in his ass while only being made to sniff and stare at her perfect pussy!
