

A Dream Come True Starring: Isis Love & Blake Approx. 61 mins 2014 Kink.com

€ 18,95

Blake has been following Isis Love since her very first shoots on Men In Pain. Blake contacted me pleading to serve Goddess Isis. I toyed with him and finally decided to throw a dog a bone just to see what happens. Blake's dreams come true being able to worship his goddess for a full day. He's made to worship her tall black leather boots by cleaning them with his tongue. She sits on his face controlling every breath he takes with her ass and pussy.
