The Domina Files volume 75 Mistress Shane II Antwerp - Belgium Running Time: 85 mins

€ 9,95

One of our most successful volumes in this series oried for a follow-up as a lot of things changed since we last filmed with the sturning American Mistress in her old dungeon (Volume 5), Mistress Share moved back to the heart of Antwerp. She now has a huge dungeon with multiple rooms, filled to the brim with sturning gear, toys and everything a true submissive can dream of.

this action packed film shie is assisted by Mistress Shri and both dominate a range of slaves, submit them to sound and didd-training with huge strap-ore to humilate their subjects to the max. Bondage, CBT, chastify training, wax, caning and whipping, organs— it is all there, but and steamy! A must have collector DVD that will keep you gasping for air when you see Mistress Shri and Mistress Shri in action
