

Breaking Ingrid's Mouth Starring: Ingrid Mouth Approx. 66 mins 2016 Kink.com

€ 18,95

Ingrid finds herself perched with all of her weight resting on her cunt. Her arms are pulled behind her and her legs are spread. She is wearing a gas mask to restrict her breathing. Now that she is completely helpless, the pain comes rushing in, overwhelming her entire body. Next Ingrid is in predicament position that has her arms in a strappado, her legs up and spread, and her pussy spread wide. She is subjected to lots of nipple torment, and bastinado, then her pussy gets fucked and we get amazing, screaming orgasms. In the final scene Ingrid is in a modified doggy position. She is tormented even more, and then fucked to tears.
