Pay up. I know it's hard for you to understand because you aren't purchasing anything, you get nothing! If you're lucky you end up a toy for my sadistic amusement. I'll fuck myself to orgasm as you watch my asshole quivering an inch from your face. We'll 69 where I bite your dick and you sniff my sweaty asshole. I'll fuck your asshole with my strap-on cock and in the end you won't even know what happened.
