€ 18,95

When arrogant porn producer D. Arclyte tries to pull his usual misogynistic bullshit on Cherry he quickly is made to regret it. D. suffers as he is whipped, flogged, caned, fed his own filth, and fucked deep in his ass. Cherry administers intense CBT as he begs for her forgiveness for being such a waste of space. Finally Cherry gets her own pleasure by watching him lick her sweaty asshole as she cums all over his face.
