There are certain girls who inspire me enough to really just be the sadistic fuck that I am. There is a short list, but today that list got a little longer as I add Violet to it. She asked to be totally fucking destroyed, and I don't want to keep anyone from getting what they want. The first position is to see if she was sincere with her request to suffer. Her desires are genuine so I go forward with the plan to wreak havoc on this slut. By the end of the day she has been utterly destroyed by terrorizing torment, made to cum more than she knew she could, and yet she has a smile on her face...
