MyStim - magic gloves

MyStim - magic gloves

€ 59,95

MyStim - magic gloves. These electro-conductive gloves are perfect for tingling electro sex strokes. The enclosed vinyl gloves need to be worn under the Magic Gloves, in order to isolate the own hands against the electricity. – Then you or your partner can enjoy an erotic massage, whilst the electrical delight always indulges the area which is enclosed by your hands. In that way almost any region of the human body can be stimulated
