It is Kalan's first time in Master Len's Dungeon. She's an experienced lifestyle slave girl. She is whipped very hard leaving welts and marks over most of her body. There's pain and pleasure with a general sense of fun about it all. It is also Salem's first visit to the dungeon. She is very scared of what might happen. Caged, bound, tormented and pussy whipped until she screams in pain. Just another day in the dungeon with Master Len. Don't miss it!
