

Nicole Masters Whips Ass

Nicole Masters Whips Ass - This is the debut video of Mistress Nicole Masters. She comes home from work wearing a sleek black business suit and quickly becomes furious when she finds out her slave has not walked her dog. Shawn admits his mistakes and is punished with hard hand spanking, belt whipping, sexy smothering, face slapping and paddling. Mistress Nicole then changes into something more comfortable (a sheer nightgown) and continues Shawn's lessons with some hard whipping on his ass and back before washing his mouth out with soap.
