

Ball Kicking and Strap-ons

Ball Kicking and Strap-ons - Mistress Molly's slave has shown up late due to LA traffic, but she's not very sympathetic with his pitiful excuses, so he's in for some severe ball kicking, we're talking full on punts that have Jed doubled over in pain and falling to the floor. Mistress Molly, a Syren newcomer, dressed in PVC short skirt and top, along with thigh high boots is enjoying her sadistic side way too much. After about 15 minutes of methodical ball kicking, she puts Jed on all fours and wears his ass out with a switch, that leaves visible stripes all over his ass. Next, Molly puts on some boxing gloves and delivers jab after jab, along with some harsh knees to the nuts, to the already dazed Jed. Finally, it's time for some strap-on action, as Jed is bent over a chair, and unmercifully penetrated by his Mistress's huge dildo. Then Jed is given some OTK hand spanking and paddling, before having to worship his Mistress's boots.
