

To Please Domina M

To Please Domina M - This is the debut video of Domina M from New York. Domina M has a sensual teasing style to her play and she demonstrates her full arsenal of skills on her slave. Nick is bound in a straight jacket, hood, and blindfold. Domina M teases and toys with his cock and balls. He is then moved to her X-frame where she flogs and whips his ass and back, shocks his balls with a violet wand, singletails him, tortures his nipples, delivers some kicks and knees to his nuts. Nice variety of action.
