

Hazing Emma - Trial Of A Cunt That Could Victims: Emma Haize & Darling Approx. 104 mins 2011 Kink.com

€ 18,95

Emma's petite body balances on one foot, one leg chained up and arms cuffed and chained into strappado. This human flamingo struggles to balance as every wobble strains her shoulders. Her pliable pussy is eager for stimulation, but not until the cane leaves its trail of sharp kisses.

From up in the air, Emma is bound to the ground. Legs spread and inviting, neck and wrists locked down, she is mine to fuck with. Her perfect body is covered from tit to toe with hot wax, melting away her innocence. Then she is chilled out with ice. A vibe and cock is shoved in her until we can't tell if she is shivering from the ice or twitching from the orgasms.
