

Felony is at the Mercy of Two Fierce Doms Victim: Felony  
Approx. 76 mins 2013 Kink.com

€ 18,95

This lusty whore is quivering in her chains. Every part of her is strapped down and completely immobile. Her breasts are tightly bound in leather straps and the flogging ensues. Next her ass and pussy are exposed with her legs strapped behind her head. Mz Berlin and Mz Adams cane her viciously and torment her cunt with a vibrator. Finally in a visually dramatic pose the whore is bound over a barrel in a vulnerable backbend. Nasty surprises throughout.
