Trina Michaels returns. She is strapped down and stripped down. Her body is meant for bondage and she needs to be infiltrated. With ass out, nipples clamped and pulled taut, all Trina can do is thrash around while the belts around her throat restrict her breathing. The perfect scenario to plug that ass and get in that pussy. Next, this device slut is fastened to the floor, ass raised, her legs are put into a froggie trap. Her neck restrained and blindfolded, all Trina can do is endure the little black clips from arm to asshole. A vibe and dick is locked into her cunt and her body is worked over with the cane. Just the right ingredients for an explosive orgasm. This big titted shining star is bolted to the wall, off the ground. Her head is locked into a head trap, her limbs spread wide and titties clamped down tight. A dildo is secured into her mouth, because who doesn't enjoy the sound of gagged screams of pleasure. The fuck machine is shoved in her and relentlessly fucks her into multiple orgasms.
