€ 18,95

For the first time in Device Bondage history, Claire Adams and Orlando Dominate together as a team on camera the toughest victim they can think of - Cherry Torn. Claire and Orlando each build one device for Cherry. The first is Orlando's. Cherry is placed in a modular metal stock system that pivots and rotates. Claire and Orlando tag team Cherry playing horrible good cop bad cop games that include the cattle prod and spikey board and of course intense orgasms from this tormented cunt. Second, is Claire's device. Cherry is placed in an uncomfortable movable pipe system suspension. Claire and Orlando torment her with a zipper, seeing how many hands can fit in her cunt, face torment games, and lots of sexy foot torment with the dragon tail and single tail. Finally the two sadists go for a simple but challenging hogtie pushup. Cherry has to maintain her ability to breathe while being fatigued by very intense bondage. As her muscles weaken, she chokes herself more. Its a vicious cycle that eventually ends and transforms into a yoga like legs down position. Mind blowing orgasms and very intense nipple torment complimented with an intense caning are all happily dished out by two more than willing administrators.
