

Claire Adams vs Rough Rider Wenona Victim: Wenona
Approx. 61 mins 2014 Kink.com

€ 18,95

Wenona endures one of the most challenging suspensions Claire can think of - a chain only straddle split suspension. Chain is cold, uncomfortable, and like the rigid restraints - not forgiving. Spread wide open, her nipples get tied to her toes, the cane comes out, and finally the sybian. With a sybian finish, cum hungry and insatiable Wenona gets to do nothing but be overwhelmed by pleasure as Claire chokes her from behind with leather around her neck. Watch her muscles intensely contract and the sweat pour down her body as it can't help but have orgasm after orgasm.
