€ 18,95

Straight from Japan, Marica Hase is a famous starlet in her native country. She also has experience working with some of the best Japanese bondage riggers. Today, she gets a lesson on Device Bondage - American style. Each scene has an element which ties into her cultural references of feeling disgraced: objectification, humiliation and bukkake. Marica starts her day on Device already clearly well used. The white oozing nectar drips from her chin, collecting in a pile on the floor. Naturally, we have to follow in the footsteps of clearly where others have been. Marica is tormented with the cane, nipple clamps, face torment and made to jerk a thick black cock off.
