

Missy Minks Gets Her Reward Starring: Mz Berlin & Missy Minks Approx. 78 mins 2014 Kink.com

€ 18,95

Missy has one of the whiniest voices, and it sounds so dirty when we make her call us "Mister" and "Mommy". Every request, every plea, and every scream will include those titles. All day this little whore is put in extreme restraints and made to suffer to get her reward in the way of orgasms. Mz. Berlin and The Pope tag team this slut and never allow her a single moment of rest.
