

The Point Of No Return Starring: Orlando & Emma Haize  
Approx. 78 mins 2015 Kink.com

€ 18,95

Emma's petite body looks amazing when covered in hard steel and leather. Her body is restrained to render her completely helpless and available to Orlando for punishment. Her body gets the full treatment of torment; flogging, cat-o-nine, pegs, clamps, breath control, and a sybian ride that shook this poor helpless girl's brain for almost 30 minutes.
