Lorelei Lee works her magic on Jessie Sparkles' day two of training! He's tied to the floor where he belongs and treated like a doormat. Lorelei administers brutal CBT, clamping his balls with a handful of painful clover clamps and flogging the shit out of him. He's tied, standing in a tough stress position and humiliatingly fucked in his ass. Jessie is bent over Lorelei's knee in a traditional OTK spanking, then used as a pleasure slave. Lorelei makes Jessie use his tongue on her beautiful pussy, then she rides his cock to orgasm reminding him who owns his. Lorelei lets Jessie release his filth but only after painfully stroking him and making him hold off till the moment she says blow!
